NOW THEREFORE, the parties hereto agree as follows:

JURISDICTION, RECOGNITION & SCOPE OF WORK

Art. I. Sec. 1. - The Employer, and all other employers who hereafter become signatories to this Trade Agreement, recognize, acknowledge, and agree that the Union is the exclusive representative for the purpose of collective bargaining within the meaning of Section 9(a) of the National Labor Relations Act and that the Union has demonstrated through the use of authorization cards executed by a majority of the Employer’s bargaining unit employees that it possesses the support of a majority, of all employees of the Employer wherever such employees may be employed, in the following classifications of work: all work described by the INTERNATIONAL UNION OF PAINTERS AND ALLIED TRADES General Constitution section 6, issued January 1, 2005.

The Union shall give principal recognition to the Association of Master Painters and Decorators of New York, Inc., the Wall, Ceiling and Carpentry Industries of New York, Inc. and the Window and Plate Glass Dealers Association (the “Associations”) and any successor Employer Association during the life of this agreement which (i) may be established; (ii) is affiliated with a national association whose members employ union employees only; and (iii) represents employers in the same industries for which the Union negotiates collective bargaining agreements for work performed in the territorial jurisdiction defined in Art. This Trade Agreement will also include all work related to rigging, surface preparation and clean up of any kind as well as lead abatement and glazing.

Art. I. Sec. 3. - The Union agrees for the life of this Trade Agreement not to sign any agreements (through Local Union No. 1456 or otherwise) for direct hire of its members, unless there is no other way to protect its labor standards. Before agreeing to such a request, the Union agrees to refer any request of this type to the Joint Trade Board. The purpose of this referral is to allow an Association employer the timely opportunity to bid and perform the work required by the user with Union members.

The Union will not sign an agreement directly with any employer until after this review process by the Joint Trade Board. The review process must be timely instituted within 24 hours to allow the Union to maintain its established standards. Provided, however, that the Associations shall not be obligated to take any action to require compliance with the terms of the Trade Agreement on the part of any person or firm which has been expelled from or has resigned from any Association, except as a prerequisite for the reinstatement of such member. If any Association Employer is expelled or resigns from the Association for any reason, the Employer will, without further negotiation, cease being bound to this Association Trade Agreement and will instead be bound to the Independent Trade Agreement. Each Association will be responsible for securing each of their members' agreement to this effect either through a written acknowledgement or through an amendment to the Association's application. Each Association shall provide copies of such acknowledgement to the Union.

Art. I. Sec. 4(b). - Past Performance Clause: Except as otherwise provided in this Trade Agreement, the Employer agrees that all conditions of employment relating to wages, hours of work, overtime differentials, and general working conditions shall be maintained at no less than the highest standards in effect at the time of the signing of this Trade Agreement, and the conditions of employment shall be improved wherever specific provisions for improvement are made elsewhere in this Trade Agreement.

As applicable and appropriate, covered Employers will comply with the Federal Family and Medical Leave Act.

the extent that state law may prohibit it. If under applicable state law additional requirements must be met before any such provision may become effective, such additional requirements shall be first met.

Art. I. Sec. 4(g). - If any provision of this Article is invalid under the law of any state wherein this Trade Agreement is executed, such provision shall be modified to comply with the requirements of state law or shall be renegotiated for the purpose of adequate replacement. If such negotiations shall not result in mutually satisfactory agreement, either party shall be permitted all legal or economic recourse.

Art. I. Art. I. Sec. 4(i). - It is understood and agreed that each employer must execute appropriate copies of this Trade Agreement, and pay a fee of \$250.00 to defray the expenses of publication and execution thereof. Notwithstanding the execution of this Trade Agreement by the Associations, it is understood and agreed that each employer that is not member of one of the signatory Associations must separately execute appropriate copies of this Trade Agreement, and pay a fee of \$250.00 to defray the expenses of publication and execution thereof.

Art. I. Sec. 4(j). - The Union shall have full authority to modify the terms of this Trade Agreement, and to pinpoint, maintain and/or organize work covered under this Trade Agreement, with respect to organizing work, repaint recovery and maintenance of work, as defined in Article V, Sections 1 through 3.

Art. I. Sec. 4(k) - The Union and the Employer recognize that the use of non-union labor threatens our industry and that it is their mutual interest to identify those situations in which the Trade Agreement is being violated in this manner. Thus, consistent with the requirements of Art. IX, Section 1(B)(d), the parties agree that **THERE SHALL BE NO RETALIATION AGAINST ANY MEMBER WHO PROVIDES INFORMATION CONCERNING POTENTIAL VIOLATIONS OF THIS TRADE AGREEMENT.**

"home area" fringe benefit funds as are provided for in the collective bargaining agreement of the employees' "home area" District Council or Local Union.

b). For the foregoing purpose, the Signatory Employers hereby:

- i. Agree that such contributions shall be made at the rate, in the manner and under the terms and conditions specified in the applicable Collective Bargaining Agreement;
- ii. Agree that where the International Union of Painters and Allied Trades Union and Industry National Pension Trust Fund is applicable, contributions shall be made in the manner and under the terms and conditions specified in the Standard Form of Participation Agreement issued by the National Trustees;

Such contributions shall be submitted on appropriate forms, in such format and with such information as may be agreed to by Central Collections.

ENFORCEMENT OF ARTICLE XX

Art. XXI, Sec. 1. - Payments

- a). All Art. XX Fringe Benefit Contributions shall be made at such times and in such manner as the Boards of Trustees (collectively, the "Trustees") and/or the National Trustees shall prescribe in accordance with the applicable Trust Agreement, as amended from time to time. The Signatory Employers agree that the Trustees shall have the authority to have an independent Certified Public Accountant audit the payroll records, payroll tax returns, cash disbursement records, bank statements, vendor invoices and any and all union reports for all other trades, wages, and general ledger of any Signatory Employer for the purpose of determining the accuracy of such contributions, provided, however, that the compensation and social security number of the senior management of the signatory employer may be redacted from all such records. "Senior management" shall be defined as any officer, director, partner(s) or owner(s).

Unless otherwise provided by the Trustees, payments for all fringe benefit contribution stamps must be made by certified or bank checks. No cash currency, personal or business checks shall be accepted, except by Signatory Employers in good standing of a recognized Association or other Signatory Employers, who shall be able to pay with regular business account checks on a New York State licensed bank with a branch located in the geographic jurisdiction of this Trade Agreement. If any Signatory Employer shall have its check dishonored, then this privilege shall be withdrawn.

- b). For the purpose of this Article, Article XX and Article XXII, each hour worked and paid for, including hours attributable to show up time, and other hours for which pay is received and for overtime hours (for which fringe benefits contributions shall be made at the rate of time and one half) by a JOURNEYPerson or apprentice in accordance with this Trade Agreement, shall be counted as hours for which Art. XX Fringe Benefit Contributions are payable.
- c). Art. XX Fringe Benefit Contributions shall be paid on behalf of any JOURNEYPerson or apprentice, including, but not limited to, probationary employees, starting with his/her first day of employment in a job classification covered by this Trade Agreement.
- d). The failure of an Employer to make fringe benefit contributions or pay interest, liquidated damages or fees related thereto as provided for in this Article and Article XXII and Article XX, shall be attributed to any officer, stockholder, partner or proprietor in actual control of said Employer, and execution of this Trade Agreement by any such person shall bind said person individually to the terms and conditions set forth herein. A default in payment of any fringe benefit contributions or pay interest, liquidated damages or fees related thereto due pursuant to this Article and Article XX and Article XXII shall follow said officer, stockholder, partner, and / or proprietor into any succeeding enterprise entered into by said person. Where the Trustees determine that an Employer is being operated in the name of a nominee, family member, successor entity or alter ego of an individual actually controlling the Employer, the Trustees may consider any default of the obligations set forth in such Articles to be the default of said controlling individual.
- e). Art. XX Fringe Benefit Contributions Payment Method. Signatory Employers must make Art. XX Fringe Benefit Contributions under the Stamp System. The amount of the security payment shall be \$5,000.00.
- f). As of May 1, 2001, all fringe benefit stamp for a week must be included with the wage payments for such week, as already provided in this Trade Agreement.
- g). Regardless of the ability or inability of a Signatory Employer to pay its required Fringe Benefit Contributions, the Signatory Employer shall be required to submit remittance reports weekly. The failure to submit such reports will subject the Signatory Employer to fines by the Joint Trade Committee.

Art. XXI. Sec. 2. - Penalties.

- a). The required Art. XX Fringe Benefit Contributions constitute a consideration for entering into this Trade Agreement and constitute its very essence. Failure by any Signatory Employer to pay to the Trust Funds amounts due under this Trade Agreement shall be deemed a breach of this Trade Agreement, and thereupon a termination notice shall be served by the Trustees upon the Union. In such event, the Union must enforce the foregoing and following provisions relating to payment to the Trustees. In the event a Signatory Employer fails to make the required payments or reports for more than forty-eight (48) hours after such notice of termination, the Union must order its JOURNEYPersons and apprentices to cease work on all the delinquent employer's projects until all required payments and/or reports have been rendered. Such Signatory Employer must pay all such JOURNEYPersons and apprentices for all time lost, not to exceed one (1) week of wages per JOURNEYPerson or apprentice.

- b). If a Signatory Employer fails to make contributions to the Pension Fund within the date required by the National Trustees, or fails to make any other Art. XX Fringe Benefit Contributions when due in a timely manner pursuant to this Trade Agreement, the Union shall have the right to take whatever steps are necessary to secure compliance with this Trade Agreement, notwithstanding any other provisions hereof to the contrary. The Signatory Employer shall be liable for all costs of collection of the payments due together with attorneys' fees and such penalties as may be assessed by the Trustees and/or National Trustees, as set forth in Art. XXII, Sec. 2(a), (b), (c) and (d). The Signatory Employer's liability for payment of Pension Fund contributions under this Trade Agreement shall not be subject to or covered by the grievance or arbitration procedure in Articles XII and XIII, nor the "no strike" clause set forth in Art. XIV
- c). Any job action taken by the Union pursuant to the procedures in foregoing Article XXI, Sections 2(a) and(b) shall not be covered by the "no strike" clause set forth in Article XIV. The Union shall suffer no liability for ordering its members to cease work upon demand from the Trustees and each signatory employer expressly waives any right it may have to bring suit for damages or other relief against the Union for breach of the no-strike clause in the event the Union orders its members to cease work after demand from the Trustees.

Art. XXI. Sec. 3. - Qualification for Income Tax Deductions. Each of the Trust Funds set forth in Article XX which are intended to qualify under the Internal Revenue Code shall at all times conform with the currently applicable requirements of the Internal Revenue Code so as to enable each Signatory Employer at all times to treat Art. XX Fringe Benefit Contributions as a current deduction for income tax purposes. In the event that an Art. XX Fringe Benefit Contribution is not currently deductible, the Signatory Employer shall not be required to make such payment.

BONDS, DAMAGES, FEES AND INTEREST

Art. XXII. Sec. 1. – Bonds

- a). Security - The Signatory Employer shall provide security to the Trustees for the faithful performance by it of the requirements under this Trade Agreement for the payment of Signatory Employer Benefit Contributions, liquidated damages, interest, attorneys' fees, costs of collection and other monetary obligations under this Trade Agreement. The Trustees shall be entitled to retain any interest that accrues on such security during the time such security is deposited with the Trustees.
- b). Form of Security - Such security deposited with the Trustees shall be in the form of cash, surety bond acceptable to the Trustees, or other security acceptable to the Trustees.
- c). Amount of Security - The amount of security which the Signatory Employer is required to deposit with the Trustees under the stamp system shall be \$5,000.00. The security provided in accordance with the foregoing shall be available to satisfy any delinquency in Article XX fringe benefit contributions and any interest and liquidated damages resulting from such delinquency. In the event that a former signatory employer does not report any work covered by this Trade Agreement (or its successor) for a two year period and such employer refuses or fails to make records available to the Certified Public Accountant as described in Article XXI, Section 1(a), the entire amount of such employer's security shall apply and be paid to the Fringe Benefit Funds (in proportion to their respective contribution rates) to the signatory employer's credit.
- d). If at any time a Signatory Employer's security on deposit with the Trustees shall, for any reason, be in an amount less than the amount required by this Section, the Signatory Employer shall immediately deposit with the Trustees additional security so that the Signatory Employer's security on deposit shall at all times comply with this subsection.

- e). The Trustees shall not accept any surety bond or other non-cash collateral from any Signatory Employer who shall have failed in the past to make payment of any sums found by the Trustees or National Trustees to be due under this Trade Agreement or under any prior Trade Agreement. In such cases, compliance with the security requirements hereof shall be by cash deposit only.
- f). Additional Security — In the event the Trustees determine that a Signatory Employer is guilty of violating any provision of this Trade Agreement, or in the event the Trustees bring suit against a Signatory Employer to collect unpaid Art. XX Fringe Benefit Contributions or interest, liquidated damages or fees related thereto, the Signatory Employer shall provide additional security in such form and amount, as the Trustees shall determine. The Trustees may, but are not required to, assess such additional security in an amount no less than the amount of the Signatory Employer's potential, existing or future liability to the Trustees. Any additional security required pursuant to this subsection shall be deposited with the Trustees who are authorized to pay out of such security any sums found by the Trustees to be due for unpaid Art. XX Fringe Benefit Contributions, liquidated damages, interest, attorneys' fees, or other costs of collection.

Art. XXII. Sec. 2. - Damages, Interest and Fees

- a). Liquidated Damages - Time is of the essence for the payment of Art. XX Fringe Benefit Contributions. The parties recognize and acknowledge that the regular and prompt payment of Art. XX Fringe Benefit Contributions by Signatory Employers is essential, and that it would be extremely difficult, if not impractical, to fix the actual expense and damages which will result from a failure of a Signatory Employer to make the required Art. XX Fringe Benefit Contributions in full within the time provided, and without becoming delinquent.

Therefore, the parties agree that if the required Art. XX Fringe Benefit Contributions shall become delinquent, the amount of damage resulting from any such delinquency shall be, by way of liquidated damages, and not as a penalty, a sum equivalent to 10% of the total Art. XX Fringe Benefit Contributions required pursuant to this Trade Agreement, for each failure to pay in full within the time provided in Art. XX, Sec. 1(g), for each pay period for which payments are required to be made; *unless* a lawsuit is commenced to recover such contributions, in which case the liquidated damages shall be 20% of the required contributions. The liquidated damages, so fixed and computed, shall be added to and become a part of the Signatory Employer's required Art. XX Fringe Benefit Contribution due to any of the Trustees.

Notwithstanding the foregoing, no signatory employer shall be assessed liquidated if a delinquency is cured within 29 days from the date which contributions were due.

- b). Interest - If the required Art. XX Fringe Benefit Contributions of a Signatory Employer become delinquent, in addition to the amount assessed as liquidated damages, interest shall be added to the obligation of the delinquent Signatory Employer, calculated monthly at the annual rate of the prime rate plus 2.0%, which shall be calculated based upon the sum of all Art. XX Fringe Benefit Contributions due for the period for which the Signatory Employer is delinquent, starting with the first day of delinquency. Notwithstanding the foregoing, no signatory employer will be charged interest if a delinquency is cured within 8 days from the date from which contribution are due.
- c). Attorneys' Fees and Cost of Collection - If the required Art. XX Fringe Benefit Contributions become delinquent, in addition to the amount due as liquidated damages and interest as provided for in the preceding subsections (a) and (b), there shall be added to the obligation of the delinquent Signatory Employer, all reasonable expenses incurred by the Trustees in the collection of any delinquency, liquidated damages and interest, including but not limited to (i) reasonable attorneys' fees; (ii) accountant's fees; (iii) cost of attachment and execution; (iv) bond; (v) receivers; and (vi) court costs.

- d). All liquidated damages, interest, and any other costs and assessments due and received from a delinquent Signatory Employer shall be paid to and received by the Trustees.

Art. XXII. Sec. 3. - Trust Fund Hearing

- a). Signatory Employer Request - Should a Signatory Employer, after an audit held by the Trustees, be subject to an assessment of additional Art. XX Fringe Benefit Contributions, the Signatory Employer shall be entitled, on request, to a hearing before the Trustees or a properly appointed subcommittee thereof. At such hearing, the Signatory Employer shall be given an opportunity to present all available facts, and shall be subject to open examination thereon, so that the Signatory Employer may establish an actual lower direct labor cost such that a readjustment of the basis for the calculation of the Signatory Employer's Fringe Benefit Contributions due to the Trustees is warranted. At such hearing, the Trustees shall consider the recommendation of the Funds' auditors and any proof that the Signatory Employer may offer. If the Signatory Employer's right to a readjustment is proven, the Trustees shall remit any excess Art. XX Fringe Benefit Contributions to the Signatory Employer. The decision of the Trustees, after such hearing, shall be final and binding.
- b). Failure to Request Hearing — If, after an audit and a final assessment of further contributions due, the Signatory Employer fails, within twenty (20) days after written notice thereof given by the Trustees, to request in writing a hearing before them as provided in the preceding sub-section (a), the Signatory Employer shall be deemed conclusively to have consented thereto, with no further recourse.

CONDITIONS

Art. XXIII. Sec. 1 — In the event that the Union enters into a contract, or contracts, or enters into renewals or modifications of a contract, or contracts, with any employers performing the work covered by this Trade Agreement which contain new or revised economic terms or other conditions effective on or after May 31, 2000, which economic terms or other conditions are more favorable to such employers than the terms contained in this Trade Agreement, the Union shall immediately notify the Association of such more favorable terms, and the Association and all its members shall be entitled to and may have the full benefit of any and all such more favorable terms, upon notification to the Union. The Union shall also provide written notice to the Association if it offers to any contractor that is not a member of the Association the terms set forth in the market recovery agreement referenced in Article I, Sec. 4(J) and Article V, Section 2(d), or the terms set forth in Article XVI, Article XXVII, Sec. 4(c) and/or Art. Building and Construction Industry, or any other applicable statute. SAVINGS CLAUSE

Art. XXVI. Sec. 1. - In the event there is a change in the state or federal laws which affect any of the terms of this Trade Agreement, the terms of this Trade Agreement shall be automatically modified or stricken in accordance with the change of the state or federal law as of the effective date of said change. The modification or changes in the state or federal law shall not affect the validity of the balance of this Trade Agreement, which is not in conflict with said change. Further, any provision of this Trade Agreement which provides for union security or employment in a manner and to an extent prohibited by any law or the determination of any governmental board or agency, shall be and hereby is of no force or effect during the term of any such prohibition. It is understood and agreed, however, that if any of the provisions which are hereby declared to be of no force, or any restrictions imposed by law are determined either by Act of Congress or other legislative enactment or by a decision of the court of highest recourse to be legal or permissible, then such provision shall immediately become and remain effective during the remainder of the term of this Trade Agreement. In the event that there shall be changes in applicable laws concerning the expansion or enlargement of union security, they shall automatically be incorporated into the terms and conditions of this Trade Agreement and become effective during the remainder of its term. In the event that any provision of this Trade Agreement shall be declared to be in violation of law, the remaining provisions of this Trade Agreement shall continue in full force and effect.

Art. XXVI. Sec. 2. - The use of any terms in this Trade Agreement that may connote a masculine gender is intended to include all persons, whether male or female, and such usage is not intended to indicate any bias or discrimination in connection with membership in the Union or employment by any Employer.
