**Prequalified Contractors and Consultants**

**PROJECT LABOR AGREEMENT**

A Project Labor Agreement (“PLA”) has been negotiated and executed by and between the New York City School Construction Authority (“SCA”), the Building and Construction Trades Council (“BCTC”) and its member unions, and the Bricklayers and Allied Craftworkers Local Union 1. The PLA will govern the relationship between the SCA, its contractors, and labor with respect to construction work to be performed under Capital Improvement and Restructuring Programs of the Five-Year Capital Plan FY 05-09 (“Plan”).

The PLA has been executed to promote labor harmony on the project; expedite the construction process and reduce construction costs; provide standardized terms and conditions of employment, flexibility in scheduling, enhancement of employment opportunities for minority, women and disadvantaged persons; and create a safer construction site by avoiding work in occupied school buildings. The following are some of the major provisions of the PLA:

- Prohibits strikes, work stoppages, picketing, and other disruptive union activity.
- Provides a uniform dispute resolution procedure.
- Permits a second or third shift without a first shift.
- Both second and third shift work (assuming that such shift is the first of the day) to be performed at a flat 5% differential.
- Work may be scheduled on a five (5)-day or four (4)-day (10 hours per day) basis (40 hours per week) at straight time rates.
- Recognizes six (6) standard holidays for all trades with payment for work on those days governed by the applicable CBA.

-Increases the ratio of apprentices to journeymen by providing for a minimum 3:1 apprenticeship ratio.

-Contains a broad management rights clause whereby contractors retain full and exclusive authority for the management of their operations, including the right to direct the workforce, assignment and schedule of work, and promulgation of reasonable work rules.

As a condition of being awarded a contract or subcontract for work within the coverage of the PLA, each successful bidder and subcontractor of any tier on the project, agrees to become signatory to, and to abide by, the provisions of the PLA. The PLA will be attached to and included as part of the Solicitation Documents. Additional copies of the PLA Agreement may be obtained from the SCA, 30-30 Thomson Avenue, Long Island City, NY 11101. The PLA will also be available on the SCA's website at [www.nycsca.org](http://www.nycsca.org).

**PROJECT LABOR AGREEMENT COVERING  
SPECIFIED CONSTRUCTION ON BEHALF OF THE  
NEW YORK CITY SCHOOL CONSTRUCTION AUTHORITY**

**ARTICLE 1 - PREAMBLE**

WHEREAS, the New York City School Construction Authority ("Authority"), acting as its own Construction Manager, desires to provide for the cost efficient, safe, quality, and timely completion of certain rehabilitation and renovation work performed under the Authority's Capital Improvement Program ("CIP") and Restructuring Program ("Program Work," as defined in Article 3) for Fiscal Years 2005 to 2009 in a manner designed to afford the lowest costs to the Authority, and the Public it represents, and the advancement of permissible statutory objectives;

WHEREAS, this Project Labor Agreement will foster the achievement of these goals, inter alia, by:

(1) providing a mechanism for responding to the unique construction needs associated with this Program Work and achieving the most cost effective means of construction, including direct labor cost savings, the Building and Construction Trades Council of Greater New York and Vicinity, on its behalf and on behalf of its affiliated Local Unions and their members, waiving various shift and other hourly premiums and other work and pay practices which would otherwise apply to Program Work;

(2) expediting the construction process and otherwise minimizing the disruption to the educational environment of New York City public schools;

(3) promoting the statutory objectives stated in the Authority's enabling legislation, Public Authorities Law § 1725 et seq., in a non-discriminatory manner designed to open construction opportunities to all qualified bidders;

(4) avoiding the costly delays of potential strikes, slowdowns, walkouts, picketing and other disruptions arising from work disputes and promoting labor harmony and peace for the duration of the Program Work;

(5) standardizing the terms and conditions governing the employment of labor on the Program Work;

(6) permitting wide flexibility in work scheduling and shift hours and times to allow maximum work to be done during off-school hours yet at affordable pay rates;

(7) permitting adjustments to work rules and staffing requirements from those which otherwise might obtain;

(8) providing comprehensive and standardized mechanisms for the settlement of work disputes, including those relating to jurisdiction;

(9) furthering public policy objectives as to improved employment opportunities for minorities, women and the economically disadvantaged through Project Pathways and other such programs;

(10) ensuring a reliable source of skilled and experienced labor;

and, WHEREAS, the Building and Construction Trades Council of Greater New York and Vicinity, its affiliated Local Unions and their members, desire to assist the Authority in improving public education in the City of New York, as well as to provide for stability, security and work opportunities which are afforded by a Project Labor Agreement;

and, WHEREAS, the Parties desire to maximize Program Work safety conditions for both workers and users of New York City Schools under construction;

NOW, THEREFORE, the Parties enter into this Agreement:

## **SECTION 1. PARTIES TO THE AGREEMENT**

This is a Project Labor Agreement ("Agreement") for rehabilitation and renovation work to be performed under the defined CIP and Restructuring Program entered into by the New York City School Construction Authority and the Building and Construction Trades Council of Greater New York and Vicinity ("Council") (on behalf of itself and its affiliated Local Unions and their members) ("Local Unions"). The Council hereby warrants and represents that it has been duly authorized to enter into this Agreement on behalf of, and to bind,

its affiliated Local Unions and their members, as well as itself, as if each had individually signed this Agreement.

## **ARTICLE 2 - GENERAL CONDITIONS**

### **SECTION 1. DEFINITIONS**

Throughout this Agreement, the various Union parties, including the Building and Construction Trades Council of Greater New York and Vicinity and its affiliated Local Unions, are referred to singularly and collectively as "Union(s)"; where specific reference is made to "Local Unions," that phrase is sometimes used; the term "Contractor(s)" shall include any Construction Project Manager who may serve as a successor to the Authority in that role, to General Contractors and to all other contractors, and subcontractors of whatever tier, engaged in Program Work within the scope of this Agreement as defined in Article 3; the New York City School Construction Authority is referred to as the "Authority," except that when the Authority is referred to in its capacity as Construction Project Manager, it (or any successor to the Authority acting in that capacity) is referred to as "Construction Project Manager;" the Building and Construction Trades Council of Greater New York and Vicinity is referred to as the "Council"; and the work covered by this Agreement (as defined in Article 3) is referred to as "Program Work".

### **SECTION 2. CONDITIONS FOR AGREEMENT TO BECOME EFFECTIVE**

This Agreement shall not become effective unless each of the following conditions are met: (1) the Agreement is signed by the Council, on behalf of itself, its affiliated Local Unions and their members; and (2) the Agreement is approved and signed by the President and Chief Executive Officer of the Authority.

### **SECTION 3. ENTITIES BOUND & ADMINISTRATION OF AGREEMENT**

This Agreement shall be binding on all Unions and their affiliates, the Construction Project Manager (in its capacity as such) and all Contractors performing Program Work, as defined in Article 3. The Contractors shall include in any subcontract that they let for performance during the term of this Agreement a requirement that their subcontractors, of whatever tier, become signatory and bound by this Agreement with respect to that subcontracted work falling within the scope of Article 3. This Agreement shall be administered by the Construction Project Manager or such other designee as may be named by the Authority, on behalf of all Contractors.

### **SECTION 4. SUPREMACY CLAUSE**

This Agreement, together with the local Collective Bargaining Agreements appended hereto as Schedule A, represents the complete understanding of all signatories and supersedes any national agreement, local agreement or other collective bargaining agreement of any type which would otherwise apply to Program Work, in whole or in part. Where a subject covered by the provisions of this Agreement is also covered by a Schedule A, the provisions of this Agreement shall prevail. It is further understood that no Contractor shall be required to sign any other agreement as a condition of performing Program Work. No practice, understanding or agreement between a Contractor and a Local Union which is not set forth in this Agreement shall be binding on Program Work unless endorsed in writing by the Construction Project Manager or such other designee as may be designated by the Authority.

## **SECTION 5. LIABILITY**

The liability of any Contractor and the liability of any Union under this Agreement shall be several and not joint. The Construction Project Manager and any Contractor shall not be liable for any violations of this Agreement by any other Contractor; and the Council and Local Unions shall not be liable for any violations of this Agreement by any other Union.

## **SECTION 6. THE AUTHORITY**

The Authority shall require in its bid specifications for all Program Work within the scope of Article 3 that all successful bidders, and their subcontractors of whatever tier, become bound by, and signatory to, this Agreement. The Authority (including in its role as Construction Project Manager) shall not be liable for any violation of this Agreement by any Contractor. It is understood that nothing in this Agreement shall be construed as limiting the sole discretion of the Authority (including in its role as Construction Project Manager) in determining which Contractors shall be awarded contracts for Program Work. It is further understood that the Authority (including in its role as Construction Project Manager) has sole discretion at any time to terminate, delay or suspend the Program Work, in whole or part.

## **SECTION 7. AVAILABILITY AND APPLICABILITY TO ALL SUCCESSFUL BIDDERS**

The Unions agree that this Agreement will be made available to, and will fully apply to, any successful bidder for Program Work who becomes signatory thereto, without regard to whether that successful bidder performs work at other sites on either a union or non-union basis and without regard to whether employees of such successful bidder are, or are not,

members of any unions. This Agreement shall not apply to the work of any Contractor which is performed at any location other than the site of Program Work.

### **ARTICLE 3 – SCOPE OF THE AGREEMENT**

#### **SECTION 1. WORKED COVERED**

Program Work shall be limited to designated rehabilitation and renovation construction contracts bid and let by the New York City School Construction Authority after the effective date of this Agreement for rehabilitation and renovation work performed on New York City Public Schools pursuant to funds authorized under the Capital Improvement and Restructuring Programs for Fiscal Years 2005 to 2009. Subject to the foregoing, and the exclusions below, such Program Work generally shall include demolition, reconstruction, rehabilitation, renovation work associated with school improvement and restructuring, technology enhancement, safety enhancement, general enhancement, CIP and other programs and needs as set forth in the Capital Program.

It is understood that Program Work does not include, and this Project Labor Agreement shall not apply to, any other work, including:

1. Contracts let and work performed in connection with projects carried over, recycled from, or performed under bids or rebids relating to work initiated under Fiscal Years Programs prior to 2005, or to any contracts for Fiscal Year Programs after 2005 which have been bid prior to the effective date of this Agreement.
2. Contracts let and work performed in connection with any and all Mentor Contracts involving minority and women contractors, provided such contracts have a value of \$1,000,000 or less.

3. Contracts let by and work performed under the authority of the New York City Department of Education or the New York City Department of Design and Construction.
4. Contracts let and work performed for lease build out construction.
5. Contracts let and work performed under the New Capacity Program of the Capital Plan (including new building construction, additions to existing facilities, and lease build outs).
6. Contracts let and work performed under the Charter and Partnership Schools Program of the Capital Plan.
7. Contracts let and work performed for Maintenance and Janitorial work.
8. Technology Enhancements to the extent they do not involve construction services.
9. Contracts let and worked performed which is supported by federal funding or financial assistance and falls within the coverage of Executive Order 13202 (or any similar rule, regulation or order), but only so long as Executive Order 13202 (or any similar rule, regulation or order) is in effect.

## **SECTION 2. TIME LIMITATIONS**

In addition to falling within the scope of Section 1, to be covered by this Agreement Program Work must be (1) let for bid after the effective date of this Agreement, and (2) let for bid prior to June 30, 2009, the expiration date of this Agreement. It is understood that this Agreement, together with all of its provisions, shall remain in effect for all such Program Work until completion, even if not completed by the expiration date of the Agreement. If Program Work otherwise falling within the scope of Section 1 is not let for bid by the expiration

date of this Agreement, this Agreement may be extended to that work by mutual agreement of the parties.

### **SECTION 3. EXCLUDED EMPLOYEES**

The following persons are not subject to the provisions of this Agreement, even though performing Program Work:

- a. Superintendents, supervisors (excluding general and forepersons specifically covered by a craft's Schedule A), engineers, professional engineers and/or licensed architects engaged in inspection and testing, quality control/ assurance personnel, timekeepers, mail carriers, clerks, office workers, messengers, guards, technicians, non-manual employees, and all professional, engineering, administrative and management persons;
- b. Employees of the Authority, or of any New York City or other municipal or State agency, authority or entity (including but not limited to employees of the New York City Department of Education), or employees of any other public employer, even though working on the Program site while covered Program Work is underway;
- c. Employees and entities engaged in off-site manufacture, modifications, repair, maintenance, assembly, painting, handling or fabrication of project components, materials, equipment or machinery or involved in deliveries to and from the Program site;
- d. Employees of the Construction Project Manager (except that in the event the Authority engages a contractor to serve as Construction Project

Manager, then those employees of the Construction Project Manager performing manual, on site construction labor will be covered by this Agreement);

- e. Employees engaged in on-site equipment warranty work;
- f. Employees engaged in geophysical testing other than boring for core samples;
- g. Employees engaged in laboratory, specialty testing, or inspections, pursuant to a professional services agreement between the Authority, or any of the Authority's other professional consultants, and such laboratory, testing, inspection or surveying firm;
- h. Employees engaged in work which is ancillary to Program Work and performed by third parties such as electric utilities, gas utilities, telephone companies, and railroads.
- i. Employees engaged in technology installation (except to the extent they are involved in construction services in connection with such installation).

#### **SECTION 4. NON-APPLICATION TO CERTAIN ENTITIES**

This Agreement shall not apply to those parents, affiliates, subsidiaries, or other joint or sole ventures of any Contractor which do not perform Program Work. It is agreed, for the purposes of this Agreement only, that this Agreement does not have the effect of creating any joint employment, single employer or alter ego status among the Authority (including in its capacity as Construction Project Manager) or any Contractor. The Agreement shall further not apply to the Authority or any New York City or other municipal or State agency, authority, or

entity (including but not limited to the New York City Department of Education or the Department of Design & Construction), or any other public entity, and nothing contained herein shall be construed to prohibit or restrict the Authority or its employees or any State, New York City or other municipal or State authority, agency or entity (including but not limited to the New York City Department of Education or DDC) and its employees from performing on or off-site work related to Programs. As the contracts involving covered work are completed and accepted, the Agreement shall not have further force or effect on such items or areas except where inspections, additions, repairs, modifications, check-out and/or warranty work are assigned in writing (copy to Local Union involved) by the Construction Project Manager for performance under the terms of this Agreement.

## **ARTICLE 4 - UNION RECOGNITION AND EMPLOYMENT**

### **SECTION 1. PRE-HIRE RECOGNITION**

The Contractors recognize the Unions as the sole and exclusive bargaining representatives of all craft employees who are performing on-site Program Work, with respect to that work.

### **SECTION 2. UNION REFERRAL**

A. The Contractors agree to hire craft employees for Program Work covered by this Agreement through the job referral systems and hiring halls (where the referrals meet the qualifications set forth in items 1, 2 and 4 of subparagraph B) established in the Local Unions' area collective bargaining agreements (attached as Schedule A to this Agreement).

Notwithstanding this, Contractors shall have sole right to determine the competency of all

referrals; to determine the number of employees required; select employees for layoff (subject to Article 5, Section 3); and the sole right to reject any applicant referred by a Local Union, subject to required show-up payments. In the event that a Local Union is unable to fill any request for qualified employees within a 48-hour period after such requisition is made by a Contractor (Saturdays, Sundays and holidays excepted), a Contractor may employ qualified applicants from any other available source. In the event that the Local Union does not have a job referral system, the Contractor shall give the Local Union first preference to refer applicants, subject to the other provisions of this Article. The Contractor shall notify the Local Union of craft employees hired for Program Work within its jurisdiction from any source other than referral by the Union.

B. A Contractor may request by name, and the Local will honor, referral of persons who have applied to the Local for Program Work and who meet the following qualifications:

- (1) possess any license required by New York State law for the Program Work to be performed;
- (2) have worked a total of at least 1000 hours in the Construction field during the prior 3 years; and
- (3) were on the Contractor's active payroll for at least 60 out of the 180 calendar days prior to the contract award.

No more than twelve per centum (12%) of the employees covered by this Agreement, per Contractor by craft, shall be hired through the special provisions above. Under this provision, name referrals begin with the eighth employee needed and continue on that same basis.

### **SECTION 3. NON-DISCRIMINATION IN REFERRALS**

The Council represents that each Local Union hiring hall and referral system will be operated in a non-discriminatory manner and in full compliance with all applicable federal, state and local laws and regulations which require equal employment opportunities. Referrals shall not be affected in any way by the rules, regulations, bylaws, constitutional provisions or any other aspects or obligations of union membership, policies or requirements and shall be subject to such other conditions as are established in this Article. No employment applicant shall be discriminated against by any referral system or hiring hall because of the applicant's union membership, or lack thereof.

### **SECTION 4. MINORITY AND FEMALE REFERRALS**

In the event a Local Union either fails, or is unable, to refer qualified minority or female applicants in percentages equaling affirmative action goals as set forth in the Authority's bid specifications, the Contractor may employ qualified minority or female applicants from any other available source.

### **SECTION 5. CROSS AND QUALIFIED REFERRALS**

The Local Unions shall not knowingly refer to a Contractor an employee then employed by another Contractor working under this Agreement. The Local Unions will exert their utmost efforts to recruit sufficient numbers of skilled and qualified crafts employees to fulfill the requirements of the Contractor.

## **SECTION 6. UNION DUES**

All employees covered by this Agreement shall be subject to the union security provisions contained in the applicable Schedule A local agreements, as amended from time to time, but only for the period of time during which they are performing on-site Program Work and only to the extent of tendering payment of the applicable union dues and assessments uniformly required for union membership in the Local Unions which represents the craft in which the employee is performing Program Work. No employee shall be discriminated against at any Program Work site because of the employee's union membership or lack thereof. In the case of unaffiliated employees, the dues payment will be received by the Local Unions as an agency shop fee.

## **SECTION 7. CRAFT FOREPERSONS AND GENERAL FOREPERSONS**

The selection of craft forepersons and/or general forepersons and the number of forepersons required shall be solely the responsibility of the Contractor except where otherwise provided by specific provisions of an applicable Schedule A. All forepersons shall take orders exclusively from the designated Contractor representatives. Craft forepersons shall be designated as working forepersons at the request of the Contractor, except when an existing local Collective Bargaining Agreement prohibits a foreperson from working when the craftspersons he is leading exceed a specified number.

## **ARTICLE 5 - UNION REPRESENTATION**

### **SECTION 1. LOCAL UNION REPRESENTATIVE**

Each Local Union representing on-site Program Work employees shall be entitled to designate in writing (copy to Contractor involved and Construction Project Manager) one representative, and/or the Business Manager, who shall be afforded access to the Program Work site.

### **SECTION 2. STEWARDS**

(a) Each Local Union shall have the right to designate a working journey person as a Steward and an alternate, and shall notify the Contractor and Construction Project Manager of the identity of the designated Steward (and alternate) prior to the assumption of such duties. Stewards shall not exercise supervisory functions and will receive the regular rate of pay for their craft classifications. There will be no non-working Stewards.

(b) In addition to their work as an employee, the Steward shall have the right to receive complaints or grievances and to discuss and assist in their adjustment with the Contractor's appropriate supervisor. Each Steward shall be concerned with the employees of the Steward's Contractor and, if applicable, subcontractors of that Contractor, but not with the employees of any other Contractor. The Contractor will not discriminate against the Steward in the proper performance of Union duties.

(c) The Stewards shall not have the right to determine when overtime shall be worked, or who shall work overtime except pursuant to a Schedule A provision providing procedures for the equitable distribution of overtime.

### **SECTION 3. LAYOFF OF A STEWARD**

Contractors agree to notify the appropriate Union 24 hours prior to the layoff of a Steward, except in cases of discipline or discharge for just cause. If a Steward is protected against layoff by a Schedule A provision, such provision shall be recognized to the extent the Steward possesses the necessary qualifications to perform the work required. In any case in which a Steward is discharged or disciplined for just cause, the Local Union involved shall be notified immediately by the Contractor.

## **ARTICLE 6 - MANAGEMENT'S RIGHTS**

### **SECTION 1. RESERVATION OF RIGHTS**

Except as expressly limited by a specific provision of this Agreement, Contractors retain full and exclusive authority for the management of their operations including, but not limited to: the right to direct the work force, including determination as to the number of employees to be hired and the qualifications therefore; the promotion, transfer, layoff of its employees; or the discipline or discharge for just cause of its employees; the assignment and schedule of work; the promulgation of reasonable Program Work rules that are not inconsistent with this Agreement or rules common in the industry and are reasonably related to the nature of the work; and, the requirement, timing and number of employees to be utilized for overtime work. No rules, customs, or practices which limit or restrict productivity or efficiency of the

individual, as determined by the Contractor or Authority (including in its role as Construction Project Manager), and/or joint working efforts with other employees shall be permitted or observed.

## **SECTION 2. MATERIALS, METHODS & EQUIPMENT**

There shall be no limitation or restriction upon the Contractors' choice of materials, techniques, methods, technology or design, or, regardless of source or location, upon the use and installation of equipment, machinery, package units, pre-cast, pre-fabricated, pre-finished, or pre-assembled materials or products, tools, or other labor-saving devices.

Contractors may, without restriction, install or use materials, supplies or equipment regardless of their source. The on-site installation or application of such items shall be performed by the craft having jurisdiction over such work; provided, however, it is recognized that other personnel having special qualifications may participate, in a supervisory capacity, in the installation, check-off or testing of specialized or unusual equipment or facilities as designated by the Contractor. There shall be no restrictions as to work which is performed off-site for Program Work.

## **ARTICLE 7 - WORK STOPPAGES AND LOCKOUTS**

### **SECTION 1. NO STRIKES-NO LOCK OUT**

There shall be no strikes, sympathy strikes, picketing, work stoppages, slowdowns, hand billing, demonstrations or other disruptive activity at the Program Work site for any reason by any Union or employee against any Contractor or employer. There shall be no other Union, or concerted or employee activity which disrupts or interferes with the operation of the Program Work or the educational mission and objectives of the New York City public

schools at any Program Work site. Failure of any Union or employee to cross any picket line established by any Union, signatory or non-signatory to this Agreement, or the picket or demonstration line of any other organization, at or in proximity to a Program Work site is a violation of this Article. Should any employees breach this provision, the Unions will use their best efforts to try to immediately end that breach and return all employees to work. There shall be no lockout at a Program Work site by any signatory Contractor.

## **SECTION 2. DISCHARGE FOR VIOLATION**

A Contractor may discharge any employee violating Section 1, above, and any such employee will not be eligible thereafter for referral under this Agreement for a period of 100 days.

## **SECTION 3. NOTIFICATION**

If a Contractor contends that any Union has violated this Article, it will notify the Local Union involved advising of such fact, with copies of the notification to the Council. The Local Union shall instruct and order, the Council shall request, and each shall otherwise use their best efforts to cause, the employees (and where necessary the Council shall use its best efforts to cause the Local Union), to immediately cease and desist from any violation of this Article. If the Council complies with these obligations it shall not be liable for the unauthorized acts of a Local Union or its members. Similarly, a Local Union and its members will not be liable for any unauthorized acts of the Council. Failure of a Contractor or the Construction Project Manager to give any notification set forth in this Article shall not excuse any violation of Section 1 of this Article.

#### **SECTION 4. EXPEDITED ARBITRATION**

Any Contractor or Union alleging a violation of Section 1 of this Article may utilize the expedited procedure set forth below (in lieu of, or in addition to, any actions at law or equity) that may be brought.

- a. A party invoking this procedure shall notify John Feerick or Jeffrey Selchick who shall alternate (beginning with Arbitrator Feerick) as Arbitrator under this expedited arbitration procedure. If the Arbitrator next on the list is not available to hear the matter within 24 hours of notice, the next Arbitrator on the list shall be called. Copies of such notification will be simultaneously sent to the alleged violator and Council.
- b. The Arbitrator shall thereupon, after notice as to time and place to the Contractor, the Local Union involved, the Council and the Construction Project Manager, hold a hearing within 48 hours of receipt of the notice invoking the procedure if it is contended that the violation still exists. The hearing will not, however, be scheduled for less than 24 hours after the notice to the district or area council required by Section 3, above.
- c. All notices pursuant to this Article may be provided by telephone, telegraph, hand delivery, or fax, confirmed by overnight delivery, to the Arbitrator, Contractor, Construction Project Manager and Local Union

involved. The hearing may be held on any day including Saturdays or Sundays. The hearing shall be completed in one session, which shall not exceed 8 hours duration (no more than 4 hours being allowed to either side to present their case, and conduct their cross examination) unless otherwise agreed. A failure of any Union or Contractor to attend the hearing shall not delay the hearing of evidence by those present or the issuance of an award by the Arbitrator.

- d. The sole issue at the hearing shall be whether a violation of Section 1, above, occurred. If a violation is found to have occurred, the Arbitrator shall issue a Cease and Desist Award restraining such violation and serve copies on the Contractor and Union involved. The Arbitrator shall have no authority to consider any matter in justification, explanation or mitigation of such violation or to award damages (any damages issue is reserved solely for court proceedings, if any.) The Award shall be issued in writing within 3 hours after the close of the hearing, and may be issued without an Opinion. If any involved party desires an Opinion, one shall be issued within 15 calendar days, but its issuance shall not delay compliance with, or enforcement of, the Award.
- e. An Award issued under this procedure may be enforced by any court of competent jurisdiction upon the filing of this Agreement together with the Award. Notice of the filing of such enforcement proceedings shall be

given to the Union or Contractor involved, and the Construction Project Manager. In any court proceeding to obtain a temporary or preliminary order enforcing the Arbitrator's Award as issued under this expedited procedure, the involved Union and Contractor waive their right to a hearing and agree that such proceedings may be ex parte, provided notice is given to opposing counsel. Such agreement does not waive any party's right to participate in a hearing for a final court order of enforcement or in any contempt proceeding.

- f. Any rights created by statute or law governing arbitration proceedings which are inconsistent with the procedure set forth in this Article, or which interfere with compliance thereto, are hereby waived by the Contractors and Unions to whom they accrue.
- g. The fees and expenses of the Arbitrator shall be equally divided between the involved Contractor and Union.

#### **SECTION 5. ARBITRATION OF DISCHARGES FOR VIOLATION**

Procedures contained in Article 9 shall not be applicable to any alleged violation of this Article, with the single exception that an employee discharged for violation of Section 1, above, may have recourse to the procedures of Article 9 to determine only if the employee did, in fact, violate the provisions of Section 1 of this Article; but not for the purpose of modifying the discipline imposed where a violation is found to have occurred.

## **ARTICLE 8 - LABOR MANAGEMENT COMMITTEE**

### **SECTION 1. SUBJECTS**

The Program Labor Management Committee will meet on a regular basis to: 1) promote harmonious relations among the Contractors and Unions; 2) enhance safety awareness, cost effectiveness and productivity of construction operations; 3) protect the public interests; 4) discuss matters relating to staffing and scheduling with safety and productivity as considerations; and 5) review Affirmative Action and equal employment opportunity matters pertaining to Program Work.

### **SECTION 2. COMPOSITION**

The Committee shall be jointly chaired by a designee of the Authority and the Council. It may include representatives of the Local Unions and Contractors involved in the issues being discussed. The Committee may conduct business through mutually agreed upon sub-committees.

## **ARTICLE 9 - GRIEVANCE & ARBITRATION PROCEDURE**

### **SECTION 1. PROCEDURE FOR RESOLUTION OF GRIEVANCES**

Any question, dispute or claim arising out of, or involving the interpretation or application of this Agreement (other than jurisdictional disputes or alleged violations of Article 7, Section 1) shall be considered a grievance and shall be resolved pursuant to the exclusive procedure of the steps described below, provided in all cases that the question, dispute or claim arose during the term of this Agreement.

**Step 1:**

(a) When any employee covered by this Agreement feels aggrieved by a claimed violation of this Agreement, the employee shall, through the Local Union business representative or job steward, give notice of the claimed violation to the work site representative of the involved Contractor and the Construction Project Manager. To be timely, such notice of the grievance must be given within 7 calendar days after the act, occurrence or event giving rise to the grievance. The business representative of the Local Union or the job steward and the work site representative of the involved Contractor shall meet and endeavor to adjust the matter within 7 calendar days after timely notice has been given. If they fail to resolve the matter within the prescribed period, the grieving party, may, within 7 calendar days thereafter, pursue Step 2 of the grievance procedure by serving the involved Contractor with written copies of the grievance setting forth a description of the claimed violation, the date on which the grievance occurred, and the provisions of the Agreement alleged to have been violated. Grievances and disputes settled at Step 1 are nonprecedential except as to the specific Local Union, employee and Contractor directly involved unless the settlement is accepted in writing by the Construction Project Manager (or designee) as creating a precedent.

(b) Should any signatory to this Agreement have a dispute (excepting jurisdictional disputes or alleged violations of Article 7, Section 1) with any other signatory to this Agreement and, if after conferring, a settlement is not reached within 7 calendar days, the dispute shall be reduced to writing and proceed to Step 2 in the same manner as outlined in subparagraph (a) for the adjustment of employee grievances.

**Step 2:**

The Business Manager or designee of the involved Local Union, together with representatives of the involved Contractor, Council and the Construction Project Manager (or designee), shall meet in Step 2 within 7 calendar days of service of the written grievance to arrive at a satisfactory settlement.

**Step 3:**

(a) If the grievance shall have been submitted but not resolved in Step 2, any of the participating Step 2 entities may, within 21 calendar days after the initial Step 2 meeting, submit the grievance in writing (copies to other participants, including the Construction Project Manager or designee) to Jeffrey Selchick or John Feerick who shall act, alternately (beginning with Arbitrator Selchick), as the Arbitrator under this procedure. The Labor Arbitration Rules of the American Arbitration Association shall govern the conduct of the arbitration hearing, at which all Step 2 participants shall be parties. The decision of the Arbitrator shall be final and binding on the involved Contractor, Local Union and employees and the fees and expenses of such arbitrations shall be borne equally by the involved Contractor and Local Union.

(b) Failure of the grieving party to adhere to the time limits set forth in this Article shall render the grievance null and void. These time limits may be extended only by written consent of the Construction Project Manager (or designee), involved Contractor and involved Local Union at the particular step where the extension is agreed upon. The Arbitrator

shall have authority to make decisions only on the issues presented to him and shall not have the authority to change, add to, delete or modify any provision of this Agreement.

## **SECTION 2. LIMITATION AS TO RETROACTIVITY**

No arbitration decision or award may provide retroactivity of any kind exceeding 60 calendar days prior to the date of service of the written grievance on the Construction Project Manager and the involved Contractor or Local Union.

## **SECTION 3. PARTICIPATION BY CONSTRUCTION PROJECT MANAGER**

The Construction Project Manager (or such other designee of the Authority) shall be notified by the involved Contractor of all actions at Steps 2 and 3 and, at its election, may participate in full in all proceedings at these Steps, including Step 3 arbitration.

## **ARTICLE 10 - JURISDICTIONAL DISPUTES**

The New York Plan For the Settlement of Jurisdictional Disputes (“New York Plan”) shall apply to the settlement of all jurisdictional disputes involving Program Work.

### **SECTION 1. NO DISRUPTIONS**

There will be no strikes, sympathy strikes, work stoppages, slowdowns, picketing or other disruptive activity of any kind arising out of any jurisdictional dispute. Pending the resolution of the dispute, the work shall continue uninterrupted and as assigned by the Contractor. No jurisdictional dispute shall excuse a violation of Article 7.

## **SECTION 2. ASSIGNMENT**

All Program Work assignments shall be made by the Contractor pursuant to the Greenbook decisions of the New York Plan. Where there are no applicable Greenbook decisions, assignments shall be made in accordance with the provisions of the New York Plan.

## **SECTION 3. NO INTERFERENCE WITH WORK**

There shall be no interference or interruption of any kind with Program Work while any jurisdictional dispute is being resolved. The work shall proceed as assigned by the Contractor until finally resolved under the applicable procedure of this Article. The award shall be confirmed in writing to the involved parties. There shall be no strike, work stoppage or interruption in protest of any such award.

## **ARTICLE 11 - WAGES AND BENEFITS**

### **SECTION 1. CLASSIFICATION AND BASE HOURLY RATE**

All employees covered by this Agreement shall be classified in accordance with the work performed and paid the base, straight time hourly wage rates applicable for those classifications as required by the applicable prevailing wage laws.

### **SECTION 2. EMPLOYEE BENEFITS**

A. The Contractors agree to pay promptly contributions on behalf of all employees covered by this Agreement to those established jointly trustee employee benefit funds designated in Schedule A (in the appropriate Schedule A amounts), provided that such benefits are required to be paid on public works under any applicable prevailing wage law. Bona

vide jointly trustee fringe benefit plans established or negotiated through collective bargaining during the life of this Agreement may be added if similarly required under applicable prevailing wage law. Contractors shall not be required to contribute to benefits, trusts or plans of any kind which are not required by the prevailing wage law.

B. The Contractor agrees to be bound by the written terms of the legally-established jointly trustee Trust Agreements specifying the detailed basis on which payments are to be paid into, and benefits paid out of, such Trust Funds but only with regard to Program Work done under this Agreement and only for those employees to whom this Agreement requires such benefit payments.

## **ARTICLE 12 - HOURS OF WORK, PREMIUM PAYMENTS, SHIFTS AND HOLIDAYS**

### **SECTION 1. WORK WEEK AND WORK DAY**

A. The standard work week shall consist of 40 hours of work at straight time rates per one of the following schedules:

(1) Five-Day Work Week: 5 days, 8 hours plus 1/2 hour unpaid lunch period each day.

(2) Four-Day Work Week: 4 days, 10 hours plus 1/2 hour unpaid lunch period each day.

B. In accordance with Program Work needs, the Day Shift shall commence between the hours of 6:00 a.m. and 9:00 a.m. and shall end between the hours of 2:30 p.m. and 7:30 p.m. The Evening Shift shall commence between the hours of 3:00 p.m. and 6:00 p.m., unless different times are necessitated by the Authority's phasing plans on specific projects. The

Night Shift shall commence between the hours of 11:00 p.m. and 2:00 a.m., unless different times are necessitated by the Authority's phasing plans on specific projects. Subject to the foregoing, starting and quitting times shall occur at the Program Work site designated by the Contractor.

C. Scheduling – Monday through Friday is the standard work week. The Contractor shall have the option of scheduling either a five-day or four-day work week and work day hours consistent with work requirements and with emphasis on the minimization of interference with the educational mission of the New York City public schools. (A Contractor may switch between five-day and four-day weeks only with notice to and approval of the Authority.) When conditions beyond the control of the Contractor, such as severe weather, power failure, fire or natural disaster, prevent the performance of Program Work on a regularly scheduled work day, the Contractor may, with mutual agreement of the Local Union on a craft-by-craft basis, schedule Friday (where on 4, 10's) or Saturday (where on 5, 8's) during that calendar week in which a workday was lost, at straight time pay (subject to Section 3 B), provided the employees involved work a total of 40 hours or less during that work week.

D. Notice - Contractors shall provide not less than 5 days prior notice to the Local Union involved as to the work week and work hour schedules to be worked or such lesser notice as may be mutually agreed upon.

## **SECTION 2. OVERTIME**

Except as provided elsewhere in the PLA (e.g., Article 12, Section 1C and Article 12, Section 3B), overtime pay for hours outside of the standard work week and work day, described in paragraph A above, shall be paid in accordance with the applicable Schedule A. There will be no restriction upon the Contractor's scheduling of overtime or the non-discriminatory designation of employees who shall be worked, including the use of employees, other than those who have worked the regular or scheduled work week, at straight time rates, except that, in order to promote efficiency, weekend overtime work shall be offered first to members of the crew which handled that work during the week. There shall be no pyramiding of overtime pay under any circumstances. The Contractor shall have the right to schedule work so as to minimize overtime or schedule overtime as to some, but not all, of the crafts and whether or not of a continuous nature.

## **SECTION 3. SHIFTS**

A. Flexible Schedules - Scheduling of shift work, including Saturday and Sunday work, shall be within the discretion of the Contractor in order to meet Program Work schedules and existing Program Work conditions including the minimization of interference with the educational mission of the New York City public schools. It is not necessary to work a day shift in order to schedule a second or third shift, or a second shift in order to schedule a third shift, or to schedule all of the crafts when only certain crafts or employees are needed. Shifts must have prior approval of the Construction Project Manager, and must be scheduled with not less than five work days notice to the Local Union.

B. Second and/or Third Shifts/Saturday and/or Sunday Work - The second shift shall start between 3 p.m. and 6 p.m. and the third shift shall start between 11 p.m. and 2 a.m., subject to different times necessitated by the Authority's phasing plans on specific projects. There shall be no reduction in shift hours work; however, with respect to second and third shift work there shall be a 5% shift differential premium. This 5% shift differential premium shall also apply to second and/or third shift work performed on Saturdays or Sundays as make-up days, when necessitated by severe weather, power failure, fire or natural disaster or for similar circumstances beyond the Contractor's control. (The Contractor shall notify the Local Union on the missed day or as soon thereafter as practicable if such a make-up day is to be worked.) No other premium or other payments for such work shall be required unless such work is in excess of 40 hours in the week. Work performed on Saturdays or Sundays under circumstances other than as a make-up under the above-referenced conditions shall be paid at time and one-half or as provided in the applicable Schedule A, whichever is less. All employees within a classification performing Program Work will be paid at the same base wage rate regardless of the shift or work scheduled work, subject only to the foregoing provisions. The parties acknowledge that the foregoing, providing for second and third shift work to be performed at a 5% differential above the labor costs of day shift work, is material to the purposes of this Agreement.

C. Flexible Starting Times - Shift starting times will be adjusted by the Contractor as necessary to fulfill Program Work requirements subject to the notice requirements of paragraph A.

D. Four Tens – Notwithstanding any other provision of this Agreement, when working a four-day work week, the standard work day shall consist of 10 hours work for 10 hours of pay at the straight time rate exclusive of an unpaid 1/2 hour meal period and regardless of the starting time.

**SECTION 4. HOLIDAYS**

A. Schedule - There shall be 6 recognized holidays:

New Years Day	Labor Day
Memorial Day	Thanksgiving Day
Fourth of July	Christmas Day

All said holidays shall be observed on the dates designated by New York State Law. In the absence of such designation, they shall be observed on the calendar date except those holidays which occur on Sunday shall be observed on the following Monday.

B. Payment - Regular holiday pay, if any, for work performed on such a recognized holiday shall be in accordance with the applicable Schedule A.

C. Exclusivity - No holidays other than those listed in Section 4-A above shall be recognized or observed.

**SECTION 5. REPORTING PAY**

A. Employees who report to the work location pursuant to their regular schedule and who are not provided with work shall be paid two hours reporting pay at straight

time rates. An employee whose work is terminated early by a Contractor due to severe weather, power failure, fire or natural disaster or for similar circumstances beyond the Contractor's control, shall receive pay only for such time as is actually worked. In other instances in which an employee's work is terminated early (unless provided otherwise elsewhere in this Agreement), the employee shall be paid for his full shift.

B. When an employee, who has completed their scheduled shift and left the Program Work site, is "called out" to perform special work of a casual, incidental or irregular nature, the employee shall receive overtime pay at the rate of time and one-half of the employee's straight time rate for hours actually worked.

C. When an employee leaves the job or work location of their own volition or is discharged for cause or is not working as a result of the Contractor's invocation of Section 7 below, they shall be paid only for the actual time worked.

D. Except as specifically set forth in this Article there shall be no premiums, bonuses, hazardous duty , high time or other special premium payments or reduction in shift hours of any kind.

E. There shall be no pay for time not actually worked except as specifically set forth in this Article and except where an applicable Schedule A requires a full weeks' pay for forepersons.

## **SECTION 6. PAYMENT OF WAGES**

A. Payday - Payment shall be made by check, drawn on a New York bank with branches located within commuting distance of the job site. Paychecks shall be issued by the Contractor at the job site by 10 a.m. on Thursdays. In the event that the following Friday is a bank holiday, paychecks shall be issued on Wednesday of that week. Not more than 3 days wages shall be held back in any pay period. Paycheck stubs shall contain the name and business address of the Contractor, together with an itemization of deductions from gross wages.

B. Termination- Employees who are laid off or discharged for cause shall be paid in full for that which is due them at the time of termination. The Contractor shall also provide the employee with a written statement setting forth the date of lay off or discharge.

## **SECTION 7: EMERGENCY WORK SUSPENSION**

A Contractor may, if considered necessary for the protection of life and/or safety of employees or others, suspend all or a portion of Program Work. In such instances, employees will be paid for actual time worked, except that when a Contractor requests that employees remain at the job site available for work, employees will be paid for that time at their hourly rate of pay.

## **SECTION 8. INJURY/DISABILITY**

An employee who, after commencing work, suffers a work-related injury or disability while performing work duties, shall receive no less than 8 hours wages for that day.

Further, the employee shall be rehired at such time as able to return to duties provided there is still Program Work available for which the employee is qualified and able to perform.

#### **SECTION 9. TIME KEEPING**

A Contractor may utilize brassing or other systems to check employees in and out. Each employee must check in and out. The Contractor will provide adequate facilities for checking in and out in an expeditious manner.

#### **SECTION 10. MEAL PERIOD**

A Contractor shall schedule an unpaid period of not more than 1/2 hour duration at the work location between the 3rd and 5th hour of the scheduled shift. A Contractor may, for efficiency of operation, establish a schedule which coordinates the meal periods of two or more crafts. If an employee is required to work through the meal period, the employee shall be compensated in a manner established in the applicable Schedule A.

#### **SECTION 11. BREAK PERIODS**

There will be no rest periods, organized coffee breaks or other non-working time established during working hours. Individual coffee containers will be permitted at the employee's work location.

## **ARTICLE 13 – APPRENTICES**

### **SECTION 1. RATIOS**

Recognizing the need to maintain continuing supportive programs designed to develop adequate numbers of competent workers in the construction industry and to provide craft entry opportunities for minorities, women and economically disadvantaged non-minority males, Contractors will employ apprentices in their respective crafts to perform such work as is within their capabilities and which is customarily performed by the craft in which they are indentured. Contractors may utilize apprentices and such other appropriate classifications in a ratio not to exceed 25% of the work force by craft (without regard to whether a lesser ratio is set forth in Schedule A), unless the applicable Schedules A provide for a higher percentage. Apprentices and such other classifications as are appropriate shall be employed in a manner consistent with the provisions of the appropriate Schedule A. The parties encourage the use of the Construction Skills 2000 program as an appropriate source of apprentice recruitment.

## **ARTICLE 14 - SAFETY PROTECTION OF PERSON AND PROPERTY**

### **SECTION 1. SAFETY REQUIREMENTS**

Each Contractor will ensure that applicable OSHA and safety requirements are at all times maintained on the Program Work site and the employees and Unions agree to cooperate fully with these efforts. Employees must perform their work at all times in a safe manner and protect themselves and the property of the Contractor and Authority from injury or harm. Failure to do so will be grounds for discipline, including discharge.

## **SECTION 2. CONTRACTOR RULES**

Employees covered by this Agreement shall at all times be bound by the reasonable safety, security, and visitor rules as established by the Contractors and the Construction Project Manager for this Program Work. Such rules will be published and posted in conspicuous places throughout Program Work sites.

## **SECTION 3. INSPECTIONS**

The Contractors and Construction Project Manager retain the right to inspect incoming shipments of equipment, apparatus, machinery and construction materials of every kind.

## **ARTICLE 15 - NO DISCRIMINATION**

### **SECTION 1. COOPERATIVE EFFORTS**

The Contractors and Unions agree that they will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, national origin, marital status, age or any other status provided by law, in any manner prohibited by law or regulation.

### **SECTION 2. LANGUAGE OF AGREEMENT**

The use of the masculine or feminine gender in this Agreement shall be construed as including both genders.

## **ARTICLE 16 - GENERAL TERMS**

### **SECTION 1. PROGRAM WORK RULES**

The Construction Project Manager and the Contractors shall establish reasonable Program Work rules that are not inconsistent with this Agreement or rules common in the industry and are reasonably related to the nature of the work. These rules will be explained at the pre-job conference and posted at the Program Work sites and may be amended thereafter as necessary; notice of amendments will be provided to the appropriate Local Union. Failure of an employee to observe these rules and regulations shall be grounds for discipline, including discharge. The fact that no order was posted prohibiting a certain type of misconduct shall not be a defense to an employee disciplined or discharged for such misconduct when the action taken is for cause.

### **SECTION 2. TOOLS OF THE TRADE**

The welding/cutting torch and chain fall are tools of the trade having jurisdiction over the work performed. Employees using these tools shall perform any of the work of the trade. There shall be no restrictions on the emergency use of any tools or equipment by any qualified employee or on the use of any tools or equipment for the performance of work within the employee's jurisdiction.

### **SECTION 3. SUPERVISION**

Employees shall work under the supervision of the craft foreperson or general foreperson.

#### **SECTION 4. TRAVEL ALLOWANCES**

There shall be no payments for travel expenses, travel time, subsistence allowance or other such reimbursements or special pay except as expressly set forth in this Agreement.

#### **SECTION 5. FULL WORK DAY**

Employees shall be at their work area, as designated by the Contractor, at the starting time established by the Contractor. The signatories reaffirm their policy of a fair day's work for a fair day's wage.

#### **SECTION 6. COOPERATION AND WAIVER**

The Construction Project Manager, Contractors and the Unions will cooperate in seeking any NYS Department of Labor, or any other government, approvals that may be needed for implementation of any terms of this Agreement. In addition, the Council, on its own behalf and on behalf of its affiliated Local Unions and their individual members, intend the provisions of this Agreement to control to the greatest extent permitted by law, notwithstanding contrary provisions of any applicable prevailing wage, or other, law and intend this Agreement to constitute a waiver of any such prevailing wage, or other, law to the greatest extent permissible for work within the scope of this Agreement, including specifically, but not limited to those provisions relating to shift, night, and similar differentials and premiums. This Agreement does not, however, constitute a waiver or consent to modify the prevailing wage schedules applicable to work not covered by this Agreement.

## **ARTICLE 17. SAVINGS AND SEPARABILITY**

### **SECTION 1. THIS AGREEMENT**

In the event that the application of any provision of this Agreement is enjoined, on either an interlocutory or permanent basis, or is otherwise determined to be in violation of law, or if such application may cause the loss of Program funding for all or any part of the Program, the provision involved (and/or its application to a particular part of the Program, as necessary) shall be rendered, temporarily or permanently, null and void, but where practicable the remainder of the Agreement shall remain in full force and effect to the extent allowed by law, unless the part or parts so found to be in violation of law are wholly inseparable from the remaining portions of the Agreement and/or are material to the purposes of the Agreement. In the event a court of competent jurisdiction finds any portion of the Agreement to be invalid, the parties will immediately enter into negotiations concerning the substance affected by such decision for the purpose of achieving conformity with the court determination and the intent of the parties hereto for contracts to be let in the future.

### **SECTION 2. THE BID SPECIFICATIONS**

In the event that the Authority's bid specifications, or other action, requiring that a successful bidder become signatory to this Agreement is enjoined, on either an interlocutory or permanent basis, is otherwise determined to be in violation of law, or may cause the loss of Program funding for all or any part of the Program, such requirement (and/or its application to a particular part of the Program, as necessary) shall be rendered, temporarily or permanently, null and void, but where practicable the Agreement shall remain in full force and effect to the extent allowed by law. In such event, the Agreement shall remain in effect for contracts already bid

and awarded or in construction only where the Contractor voluntarily accepts the Agreement. The parties will enter into negotiations as to modifications to the Agreement to reflect the court or other action taken and the intent of the parties for contracts to be let in the future.

### **SECTION 3. NON-LIABILITY**

In the event of an occurrence referenced in Section 1 or Section 2 of this Article, neither the Authority, the Construction Project Manager or any Contractor, or any Union shall be liable, directly or indirectly, for any action taken, or not taken, to comply with any court order or injunction, other determination, or in order to maintain funding for Program Work. Bid specifications will be issued in conformance with court orders then in effect and no retroactive payments or other action will be required if the original court determination is ultimately reversed.

### **SECTION 4. NON-WAIVER**

Nothing in this Article shall be construed as waiving the prohibitions of Article 7 as to signatory Contractors and Unions.

## **ARTICLE 18 - FUTURE CHANGES IN SCHEDULE A AREA CONTRACTS**

### **SECTION 1. CHANGES TO AREA CONTRACTS**

A. Schedule A to this Agreement shall continue in full force and effect until the Contractor and/or Union parties to the Area Collective Bargaining Agreements which are the basis for Schedule A notify the Construction Project Manager in writing of the hourly rate

changes agreed to in that Area Collective Bargaining which are applicable to work covered by this Agreement and their effective dates.

B. It is agreed that any provisions negotiated into Schedule A collective bargaining agreements will not apply to work under this Agreement if such provisions are less favorable to those uniformly required of contractors for construction work normally covered by those agreements; nor shall any provision be recognized or applied on Program Work if it may be construed to apply exclusively, or predominantly, to work covered by this Agreement.

C. Any disagreement between signatories to this Agreement over the incorporation into Schedule A of provisions agreed upon in the renegotiation of Area Collective Bargaining Agreements shall be resolved in accordance with the procedure set forth in Article 9 of this Agreement.

## **SECTION 2. LABOR DISPUTES DURING AREA CONTRACT NEGOTIATIONS**

The Unions agree that there will be no strikes, work stoppages, sympathy actions, picketing, slowdowns or other disruptive activity or other violations of Article 7 affecting the Program Work by any Local Union involved in the renegotiation of Area Local Collective Bargaining Agreements nor shall there be any lock-out on such Program Work affecting a Local Union during the course of such renegotiations.

## **ARTICLE 19 - WORKERS' COMPENSATION ADR**

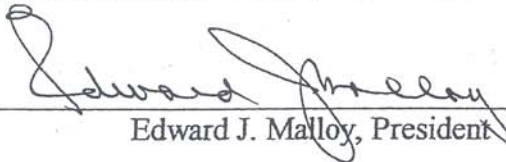

### **SECTION 1.**

The Authority is continuing to investigate the feasibility of utilizing a Workers Compensation ADR program under Section 25 (2-C) of the New York Workers Compensation Law, to be used in conjunction with its Owner Controlled Insurance Program (“OCIP”) for Program Work. The Authority’s current OCIP expires December 31, 2004, at which time the program will be renewed. The Authority agrees that it will bargain with the Union over inclusion of a pilot Workers Compensation ADR program for use under its OCIP commencing January 1, 2005. This bargaining will include negotiations concerning the pilot program site, the availability of an ADR carrier with the necessary waivers or exemptions under the statute for the particular pilot program site, and other terms and conditions for such an ADR program. Contractors will be required to participate in any resulting program as determined by the Authority. In the event the pilot ADR program is successful and demonstrates meaningful savings for the Authority, the parties will negotiate regarding an ADR program on a Program wide basis. Notwithstanding the status of any of these negotiations, the remainder of this Agreement will remain in full force and effect.

IN WITNESS WHEREOF the parties have caused this Agreement to be executed and effective

as of the 10 day of Nov, 2004.
